Enclosure No.

Issuing instructions that all petty repairs to Police Buildings hitherto carried out by Deputy Com--missioners of Districts be entrust--cd to the Inspector General of Police to be carried out under his instructions by the District Police Officers out of funds that may be placed at his disposal by P.W.D.as a tentative measure for one year.

8 1994

PROCEEDINGS OF THE GOVERNMENT OF H.H.THE MAHARAJAH OF MYSORE.

Read:-

(1) Memo dated 16th April 1904, by Mr.F.E.C.Carr, Inspector General of Police in Mysore, representing the desirability of placing funds at his disposal instead of at the disposal of Deputy Commissioners of Districts, so that he may allot what he considers necessary for carrying out repairs &c to the several Police Buildings in the State, and that all repairs and construction of ordinary District Police lines may be carried out departmentally by the District Police Officers under the orders of the Inspector General of Police.

(2) P.W.Secretary's No.800-7/4309-16 dated 21st July 1904 calling for the views of the Deputy Commissioners on the subject.

(3) P.W.Secretary's Note dated 25th January 1905 submitting the replies received from the Deputy Commissioners on the subject and observing that all original works should as hitherto be carried out by the P.W.Department and that the repairs to Police Buildings may be entrusted to the Inspector General of Police as a trial from the beginning of the next official year.

No. 296-308/1884-96 Bangalore 21st March 1905.

ORDER PASSED:-

From the replies received, it is observed that the Deputy Commissioners of Kolar, Tumkur and Hassan, are not in favor of Mr.Carr's proposal, while the rest have expressed themselves in favor of it. Government see no objection to give the proposal a trial for one year, as an experiment, and they accordingly direct that all petty repairs to buildings hitherto carried out by Deputy Commissioners be entrusted to the Inspector General of Police to be carried out under his instructions by the District Police Officers, out of funds that may be placed at his disposal by the P.W.Department provided the cost does not exceed Rs.250 in each case. Estimates for repairs,

costing over Rs.250 will be dealt with by the Executive Engineer as also all proposals for original works.

2. The above order will have effect from the beginning of the next official year 1905-06 as the money required for petty repairs during the current year have already been placed at the disposal of Deputy Commissioners and they will be re-quested to see that all works on hand are pushed through to completion before the close of the current official year.

3. A report should be submitted at the end of 1905-06 by the Inspector General of Police and the Deputy Commissioners and as to how far the present sanctioned proposal has been an improvement upon the practice hitherto in force.

W. D. Wheeler
